Ros 'n Shine creates small moments and experiences, inviting all volunteers to explore new activities and find breathing spaces between shifts. Look forward to everything from circus, acrobatics, and dance to other physical and creative experiences that let you unwind, recharge, and be present. The activities create space and a sense of community for all who help make the festival the special place we return to — year after year.

RAPOLITICS

SATURDAY 27 JUNE (20:30-22:00)

+ MONDAY 29 JUNE (20:30-21:15)

Rapolitics is an NGO who engages young people through rap and hip hop. Here at the festival, they run the Re:Act stage in collaboration with Roskilde Festival and Danish Institute for Human Rights, featuring talks, workshops, conversations, and concerts that raise awareness about human rights through alternative ways. Rapolitics are also connected with some of Denmark's best freestyle rappers, who close the Re:Act stage each day during the warm-up days. And you get to enjoy

them in Volunteers' Village too! On Saturday 27 June from 20.30–22.00, you can experience a freestyle tournament where a range of freestyle rappers compete for the title of Volunteers' Village Champ. On Monday 29 June from 20.30–21.15, you can experience a classic freestyle show — though not quite like the usual battles. Expect games, playful elements, and fun twists, all shaped by the audience.

FRIENDS & RHYMES

SUNDAY 28 JUNE (20:30-21:15)

Experience an evening where laughter and rhymes fill the air — and YOU decide what it's all about! Welcome to "Grin & Rim" — Denmark's funniest freestyle rap show, turning everyday life upside down with some of Denmark's sharpest improvisers!

If there is a long queue, you can use the cold quick baths. You can use our Styling tent, where there are mirrors, hairdryers, etc. Remember to bring your own products or use the shared products on the tables.

NADA

SATURDAY 27 JUNE - SATURDAY 4 JULY

NADA is a method that helps you stabilize, both physically and mentally. NADA is the same five acupuncture points in both ears over 45 minutes with standard needles (not permanent needles) in quiet surroundings. It is important that you sit still with the needles during the procedure. NADA is a loving anchor in the hustle and bustle of the festival, giving you a much-needed respite to land within yourself and feel the calm spreading through your body. It helps you let go of the many impressions and expectations of the day, so you can regain your energy and just enjoy the present with renewed energy.
